Currently based in Hồ Chí Minh City  
Mom's: 5617 Pandorea Ter | Newark, CA

Please refer to my  website for a complete portfolio.

## WORK & COMMUNITY

- Oct 2022 **PARTICIPANT** | [AI Anarchies](#) | Akademie der Künste, Berlin, Germany  
I learned and unlearned about AI, art, and ethics in this weeklong event.
- Feb 2021—Now **MEMBER** | [The Vietnamese American Progressive Association](#) | Online  
I create media like digital flyers and radio ads for education & advocacy.
- Aug 2020—Now **MEMBER** | [Soupbone Humanities Collective](#) | Online  
I contribute pieces to our zine and help organize discussions on art.
- Aug 2018—Now **RESEARCH ASSISTANT** | [Indiana University StatMIND Lab](#) | Bloomington, IN  
This is my job. I research new methods for fMRI data analysis, and I develop and maintain software to assist scientists working with these and other tools. Recent work involves [CIFTI files](#), [temporal artifact detection](#), and a Bayesian method for [individualized brain networks estimation](#).
- Apr 2018—Dec 2020 **TUTOR** | Bloomington Tutors | Bloomington, IN  
I helped undergraduates with coursework in statistics, science, and writing.
- Summer 2017 & 2019 **TRAINEE** | Icahn School of Medicine at Mount Sinai | NYC, NY  
I participated in the BD2K-LINCS DCIC Summer Research Training Program in Biomedical Big Data Science at the [Ma'ayan Laboratory](#). Here, I experimented with and benchmarked new methods for gene set enrichment analysis.
- Sep 2017—Jan 2019 **SERVER** | Various Restaurants

## EXHIBITIONS

- Nov 2021—May 2022 **WRONG BIENNALE NO. 5** | Online  
I curated a [pavillion](#) among my friends from Soupbone.
- Apr 2021 **DIGITAL AMERICA ISSUE NO. 17** | Online  
My piece "[New Leaf](#)" was included here; I also gave an  [interview](#).
- May 2021 **SANCTUARY ART EXHIBITION** | Bloomington, IN  
I contributed a poster design for this fundraiser for local charities.
- Sep 2020 **CANVAS CREATIVE ARTS MAGAZINE VO. 23** | Bloomington, IN  
A few of my poems were included in this publication of student writing.
- May 2020 **3D MODELING FINAL CLASS PROJECT EXHIBITION** | Bloomington, IN  
I presented an earlier, VR version of my audio-video game "[Return Tape](#)."
- Mar 2020 **INDIANA UNIVERSITY HHART SHOWCASE** | Bloomington, IN  
I shared a pair of poems for this student-run exhibition.

## EDUCATION

- 2016—2020 **INDIANA UNIVERSITY** | Bloomington, IN  
*B.S. in Statistics, minor in Computational Art*  
I received the Wells Scholarship, a merit award for the full cost of attendance.
